

KML Timing Belt Kits are made specifically for the automotive aftermarket and are the latest addition to KML range of products. This ever growing range gives you a premium quality product at a better price. KML Timing Belt Kits are for a precise fit and all the components you will need to complete the job.

Standard features of every kit are:

- New components manufactured to ISO/TS 16949.
- Service interval warranty on every timing Belt kit
- OE quality components
- All seals and installation grease included
- Quality packaging ensures intact delivery of all products.
- 100% inline quality tested.

Timing Belt Kits Tensioner & Belt
